

# AHA!

conventional objects through an unconventional lens  
a solo exhibition by Karan Shah

# ABOUT **KARAN SHAH**

Karan Shah is an artist based out of Mumbai, India.

Karan's art focuses on looking at everyday objects through a different lens. Inspired by the popular culture he grew up in, Karan's muses range from Movies to TV Shows and Music.

When he's not drawing, you can find Karan pulling his hair out, trying to finish his latest screenplay or devouring food in the kitchens of an iconic chain of restaurants he manages.
